

Internship Match Making Event

Relevant information regarding internship is on StudieNet.

The process for internship is:

The Match Making program is a help to find an internship company. However, you are not restricted to the companies included in the Match Making Program, but all internship offered at StudieNet will be closed after all the interviews.

Match Making Program

1/10		The companies submit their internship offers to Absalon, which are then uploaded to <u>StudieNet</u> .
		You write application(s) for the internship and send it/them directly to the company/companies.
8/10		Deadline for applying to the internships offered in the Match Making Program.
		The companies decide which candidates they wish to meet for an interview. You will be notified by the companies directly. You may be invited to several interviews, depending on how many applications you submitted.
22/10		You will get invited for interviews to the Match making Event
23/10		Match Making Event Internship interviews follow a 'speed dating' concept and start from 9 am in the lounge/study area at Absalon. An interview lasts 15-20 min. followed by a 10 min. break. Each company is assigned to a certain location. There will be signs and banners to help you find your way.
?		Eventually, you receive an answer from the company.
