

Ledige studiejobs i Kalundborg Kommune

Student Assistant – Team Sustainable Development

Kalundborg Municipality is looking for a student assistant to support our Sustainable Development team approx. **10–12 hours per week**.

Your tasks may include:

- Supporting events and workshops
- Assisting with communication and small projects
- Helping out when unexpected tasks arise
- Providing general support to the team and management

Who are you?

We imagine you are someone who:

- Is not afraid to get involved – even outside your curriculum
- Works well with others and builds good relationships
- Is independent and takes responsibility

What you get:

- A flexible student job in a dynamic and collaborative environment
- Experience in a growing organization focused on sustainability
- A strong network across education and industry in Kalundborg

Apply by 15 October 2025

Send your CV and a short application to **moveto@kalundborg.dk**

Applications are reviewed continuously.
