

Partner Institutions for Teacher Education Absalon

For students who speak Danish there are other possibilities in Scandinavian countries - please, then also see list of partner institutions for the Danish department.

At Absalon's 'studienet' there might be other partner institutions present but the partner institutions underneath are institutions with subject areas relevant for honors Degree and I therefore recommend you go to one of these institutions.

Please, contact your international coordinator for further questions Louise Flege lofl@pha.dk

Place	Application Deadline	Semester dates	Subjects
